I've been talking to him. He said he can't come until October. He was unable to change his schedule for this Thursday.

Hi Mario,

Welcome to a new week. I was wondering, are you going to be able to make our BID meeting this Thursday? The reason I am asking is our VP of Development, Andy Loos, would love to meet you and engage in a little shop talk about your project here in Westchester and some of your other projects. Either way, next time you're in the area, let me know and we will buy you a cup of coffee, or lunch and bend your ear.

See you soon.

Miki
